

Begin your Career @ LinkedIn – Discover our Summer Internship Program

Are you looking to start your career at one of the world's best organisations? Would you like to spend a summer in Dublin, the tech capital of Europe? If you are successful in obtaining a role on the internship, LinkedIn will pay for your flights, accommodation for 12 weeks and give you all the help you will need in relocating.

At this event you will hear all about the roles, benefits and perks of working for LinkedIn and you will hear from our current graduates who will share their experiences of the program.

Join us virtually for a panel discussion, to learn more about the summer Internship Program and how you can be successful in the recruitment process at LinkedIn.
